whether college is worth the money = education at MMC
Monday, October 7, 2019, an individual eventually identified as Esias Johnson, who had had a relationship with a student who had since graduated, began prowling around the school and attempting to flirt with male students, then escalated to bomb and shooting threats. This incident which shut down the college from October 7 to October 13, 2019, is referred to by Johnson's name.
