

How to Setup Turnitin and AI Quick-Start Guide: MMC Brightspace

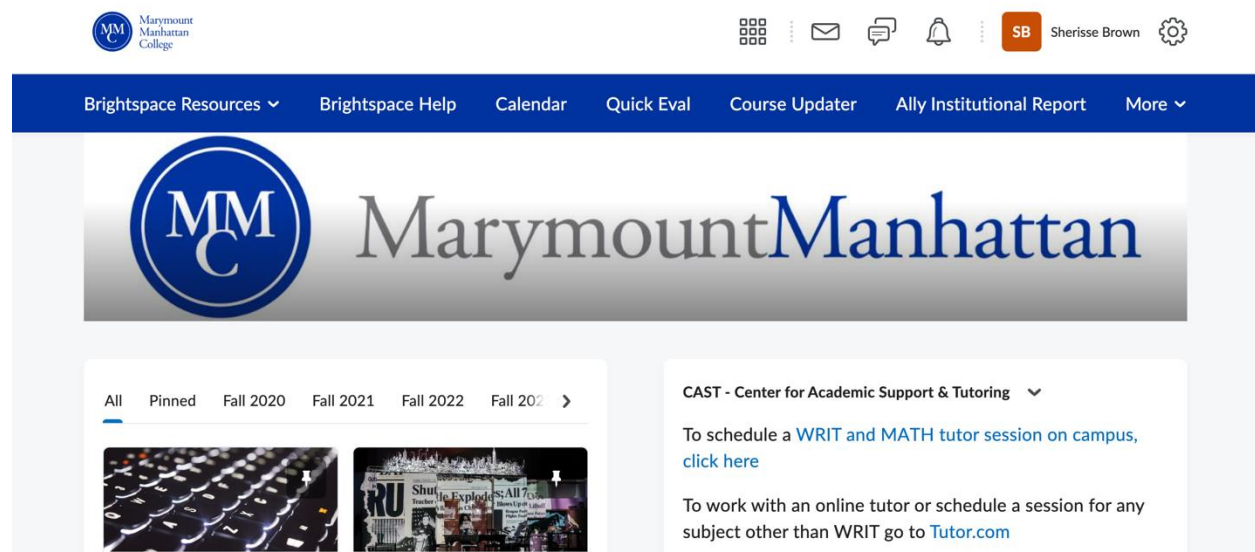

INTRODUCTION

This guide will walk you through the steps needed to setup **Turnitin**, the antiplagiarism detection tool and **AI** for ChatGPT content detection for your course assignments.

SPECIAL NOTE: AI ChatGPT content detection is known **not to work in cases** where English is not used, or content is less than 350 words.

PROCEDURE

Part 1 – How to Setup Turnitin.

1. Log in to [Brightspace](#); use your MMC email address and password.
