WHAT IS A FORM I-20 AND WHY DO YOU NEED ONE?

A Form I-20 is a government form that tells the U.S. government that you are eligible for F-1 Student Status. It certifies that (1) you are or expect to be a “bona fide” student; (2) you meet our admissions requirements; (3) you will pursue a full course of study; and (4) you have sufficient funds to study and live in the United States without having to work illegally or suffer from poverty.

You need a Form I-20 to obtain an F-1 student visa or status change, or to keep lawful F-1 status when transferring or changing schools within the U.S.

DOES EVERYBODY NEED A FORM I-20?

NO, some international students do not need a Form I-20.

J-1 students need a Form DS-2019.

B visitors and F-2 dependent visa holders must obtain a Form I-20 and apply for a change of status to F-1 Student before pursuing a course of study that is not vocational or recreational in nature.

If you are maintaining another non-immigrant status in the U.S., you do not have to have a Form I-20 and may attend school full or part time. Dependent children in E, H, I, J, L, M, N, O, P, R, or S status need to change status after their 21st birthday or if they marry.

If you have no legal status, you may attend school, but you are not eligible to change status and do not need an I-20.

RULES FOR OBTAINING YOUR FORM I-20

1. **You must be a “BONA FIDE” student**, accepted to a full-time program of study.
2. **You must prove to us that you can support the cost of living and studying** in the U.S. for every year of your program of study. This is required by U.S. law.
 - **DO NOT EXPECT TO WORK IN THE U.S. TO HELP MEET YOUR ANNUAL COSTS!**
On-campus employment is limited and competitive; off-campus employment is strictly controlled by U.S. Citizenship and Immigration Services.
 - Carefully review our school's estimated annual financial requirements for international students and figure out your annual costs. This is the amount that you must prove that you can provide for every year in your program of study. (Estimate a minimum of four years for a bachelor's degree).
 - **These requirements are not negotiable.** They represent a modest average budget that does not include luxuries of any kind. We strongly recommend that you budget at least 10% more if possible. Too little money causes pain and distress. We insist that students and their families look closely at the costs of living and studying in the U.S. and make careful plans to be sure your needs will be met.
 - **Expect annual increases in tuition and living costs.**
3. **Read and follow these instructions very carefully.** You cannot complete this process without following these instructions step-by-step. Sometimes, we may have to ask you to give us more evidence of your financial ability—perhaps more than once. The U.S. government requires that we be absolutely sure, to the best of our ability, that you will have enough financial support to cover the full cost of your stay in the U.S.

INFORMATION REGARDING FINANCIAL DOCUMENTS

Marymount Manhattan College is strict regarding financial documentation for two reasons:

- We try to be as demanding as the toughest U.S. embassy or consulate and the Department of Homeland Security Centers. Our purpose is to be sure that Marymount Manhattan College students are not denied immigration applications because of financial questions. To be fair, we require all students to meet the same standards.
- Too little money results in pain and suffering for students. We insist that families think carefully about the real costs of studying and living in New York and make sure that students' needs are provided for.

General Information:

1. Sponsors should only promise what they can truly give to you.
2. All Financial Documents must be translated into English with US Dollars.
3. Bank statements must include actual dollar amounts.
4. Documents must be current. We will not accept documents that are more than six months old.
5. Copies or faxes, *not* originals, need to be provided to MMC. You will need to present the originals at the American embassy when applying for an F-1 visa.
6. Documents must be in English.
7. Every dollar amount being promised must be proven with supporting documentation.
8. Scholarships may be used to qualify for an I-20.
9. Funds from sponsors and your personal funds may be combined. Any combination of support is acceptable. You can have one sponsor for all support, or you can have different sponsors—one to promise you the cash value and one to provide you with room and board. You can also sponsor yourself. Just make sure that all the forms of financial support you have equal the total amount of the budget required to issue you an I-20. Please make sure that you provide us with evidence for each form of support.
10. Try to present all the documents together as soon as you have them ready.
11. If you are going to apply for an F-1 visa in your home country, please understand that it is advisable that a part of your financial resources comes from your home country.

FUNDS FROM SPONSORS

These are funds from your relatives, friends, and/or organizations that wish to sponsor you in the form of cash and/or housing and board.

Here are some examples:

- Your sponsor(s) must provide you with proof of their ability to sponsor you. **In addition to** an Affidavit of Support and bank statements, your sponsor(s) must provide you with 2 years of income tax statements **or** a letter from an employer verifying their annual salary **or** at least 3-4 months of pay stubs.
- A sponsor can promise you housing and food, for which the cash value is listed below, and the same or a different sponsor can promise you the remainder of the cost of attendance.

TO SPONSORS (Please Read Carefully):

- Complete the attached affidavit of support.
- Attach proof of your financial ability to the form; including bank statements, income tax copies, and/or letters of employment, as well as copies of your apartment lease or the deed to your home if you are promising room and board.
- Return all documents to the student as soon as possible.

PERSONAL FUNDS

Personal funds are funds from the student's own resources. Please provide us with a completed Affidavit of Support, as well as financial documents in your name. The money can be held in U.S. banks or abroad, but you should have at least half of the funds in U.S. banks so that they are available for you to use immediately.

ESTIMATED INTERNATIONAL STUDENT EXPENSES

The total of personal/scholarship/sponsor funds must be greater than or equal to the estimated expenses for international students, see below. Though this estimated budget is adequate, please realize it does not allow for luxuries, and students will need to provide proof of this amount without any scholarship.

Expenses	Amount
Tuition and Fees *	\$43,546
Room and Board	\$21,896
Student Health Insurance	\$2,616
Books and other expenses	\$10,200
Total Per Year:	\$78,258

* Tuition for undergraduate studies covers 12-16 credits for each of the fall and spring semesters.

Dependents: Students planning to bring a spouse or a child in F-2 status must show additional funds of **\$10,500** per year for a spouse and each child.
