

Note from the MMC RENT Projections & Video Team

As a '90s time capsule, this production of *RENT* relies heavily on found footage and historical reports. The video team would like to thank Logan McDonald for the creation of Mark's film.

We are grateful also for large portions of the found footage that were pulled from the Mario Perez Video Collection, courtesy of the Al Larvick Conservation Fund on archive.org. Other pulled content falls under the public domain or licensed stock footage with the following exceptions, falling under CC 2.0 or CC 4.0 licensing:
